The Embassy of the Republic of Korea presents its compliments to the Ministry of Foreign Affairs of the Government of Nepal and has the honour to inform the latter that the Ministry of Environment, Republic of Korea, announces “**Master’s Program for Future Global Leaders in Environment Policy (MGLEP)**”, a scholarship program for Master’s degree for government officials from various countries including Nepal, who are related to the Ministry or Department of Environment with at least three years of work experience.

The Embassy has further the honour to inform that the scholarship program covers two-way air ticket, accommodation, food and all tuition fees.

In this regard, the Embassy would highly appreciate if the esteemed Ministry could convey the enclosed program guidelines and application forms of two universities that offer the course to the authorities concerned and advise them to select and recommend one eligible candidate directly to the contact details given in the attached file.

The Embassy of the Republic of Korea avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Government the assurances of its highest consideration.

Enclosure: As stated above.
